

Program for Online Deliberation - Documentation & Manual

Todd Davies and Brendan O'Connor

10th November 2003

1 Introduction

POD is a tool that ... does lots of stuff.

Here's where POD lives on the web: <http://piece.stanford.edu/pod> <http://piece.stanford.edu/pod>
(I did this with Insert->URL)

2 Next section

3 Next section

4 Technical Details for Administrators and Developers

php, mysql, apache. Bla bla bla bla.....

HTML: html 4. Also Javascript (esp for meeting area) + DOM + CSS (aka "DHTML")

5 Conclusion
